MAY 29TH The Ugly Duckling

(by Hans Christian Andersen)

One of the most beloved of fairy tales, in which the hero overcomes the sting of bullying, social isolation, contempt, and hardship to grow into his true magnificence, finally finding his real friends.

The story is magically accompanied with harp, french horn, and colorful percussion. Script adapted from Hans Christian Andersen's classic fairy tale and musical arrangement by Alyssa Reit.

Children will have an opportunity to try the harp and percussion instruments.

JUNE 5TH

The Princess and the Pea (by Hans Christian Andersen)
Cinderella (by Charles Perrault)

An educational music program for children of all ages. Music by Bach, Mozart, Grieg, Sibelius and other Scandinavian composers. Musical arrangement and narration by Frank Foerster.

Children will be actively involved and interacting with fairy tale characters and our musicians during the program. Live music performed by the Scandia String Quartet and Trumpet.
